**Preparing for the Unexpected**  
Thursday at 10 AM Pacific  
**July 13th 2017: Emergency Management**

This episode will focus on Emergency and Disaster Management, and how academia and certification and the training of individuals helps with the development and execution of appropriate disaster plans. We will also touch base on The International Emergency Management Society (TIEMS) and how it's mission, goals and objectives are being delivered to ensure standardization and certification in Emergency and Disaster Management.
