August 28th 2017: Conversations with Government Managers and Leaders

According to the Bureau of Labor Statistics there are currently 21,995,000 Federal and 14,400,000 State Government employees in this country. This reflects a tremendous human resource. It also represents a large cadre of human potential who are looking for and expecting good leadership. The effective leader has an opportunity to make a tremendous positive impact on the lives of more than 35 million people and the public constituents that they serve. Join your host, Bernard E. Robinson, and his guests in discussing the challenges in leading in the government? Questions like, What are the co
