Alex Wheeler started competitive shooting at local, long range club matches, and was hooked from the start. In 2014 he was lucky enough to set two 1,000 yard world records under the Williamsport Benchrest rules at Deep Creek in Montana. As a drag racer and mechanic for 14 years Alex did a lot of his own work on his rifles as well as for friends; when the time was right he decided to make it his career.

Gary Schneider, became interested in barrel making as a teen, when Remington was developing processes for barrel making and contracted his neighbor to make the tool

Gary Schneider

Gary Schneider, became interested in barrel making as a teen, when Remington was developing processes for barrel making and contracted his neighbor to make the tools. His neighbor had many experimental tools that Gary enjoyed learning about and got to study some of the rejected barrels and that piqued his interest.
