HEALTH & WELLNESS

Once a Nurse, Always a Nurse
Monday at 10 AM Pacific
September 11th 2017: What is Nursing to a Nurse?

This show is all about what makes the difficult, heavy, draining, emotional, demanding career as a nurse something (s)he will LOVE!! It is ALL about the Stories. I will share some of the stories that have kept me in nursing, things that I learned from patients and other nurses. I want nurses to call 866-472-5792 in to share one of your stories. Because being a nurse involves confidentiality SO deeply, please remember no names of patients, locations, etc. For the sake of time and getting more people on, PLEASE remember to be succinct: Situation, your Action and Result.
