December 11th 2017: Putting Your Best Foot Forward – Public Speaking and Presentations

For many people, their least-favorite professional skill is public speaking. Yet, to succeed professionally, most people must learn to present information effectively. In this episode of The Career Confidante, host Marie Zimenoff offers practical tips to help you improve your speaking and presentation skills. She covers topic selection, understanding your style, knowing your audience, the use of presentation aids such as PowerPoint, and awareness of your body language.
