December 15th 2017: Re-Store It: Green
America Launches Campaign On World Soil Day

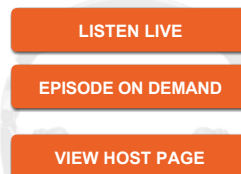

Green America has launched the Re(store) It campaign to educate the public and U.S. corporations about the benefits of regenerative agriculture, an approach to farming which uses methods that rejuvenate the soil and trap greenhouse gases. The campaign will educate consumers about the importance of regenerative agriculture and offer ways to support it. Regenerative agriculture harnesses the relationships between plants and soil microbes to pull excess carbon dioxide out of the atmosphere and store it in plants and soils where it is a useful nutrient for farmers. Tune in as we talk with Todd Lar
