Preparing for the Unexpected
Thursday at 10 AM Pacific
January 25th 2018: BCM Program:
Dependencies and Dependency Management

Nothing in Business Continuity Management (BCM) or Disaster Recovery Planning (DRP) stands alone; everything has a dependency on some level. On this weeks show we will talk to Alvaro Orrantia a Senior Director for one of Canada's largest Financial Institutions, who will talk to us about dependencies and dependency management. We'll learn how to identify our program - and organizational - dependencies and provide tips on how we can manage and maintain our dependencies. We'll talk about the dependency link between other organizational programs and processes and how they need to work t
