A walk through your garden is not only healing emotionally, but it may also contain plants that will aid your physical health. Botanical medicine, also called herbalism, is the oldest form of medicine and the most widely practiced healing modality in the world, according to the World Health Organization. Find out what you can plant for everyday wellness. www.CynthiaBrian.com What better way to begin a new year than with a guide of daily fun and easy practices that you can integrate into your routine to ignite the magic in your life. Author and Wiccan high priestess, Deborah Blake explores
