January 25th 2018: Your Brain on Porn:
Understanding Internet Porn Addiction

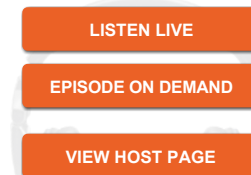

In this show Gary Wilson, presenter of the popular TEDx talk 'The Great Porn Experiment,' and author of Your Brain on Porn, addresses the ever-increasing problem of internet porn addiction in young male teens as well as men of every age. Drawing upon scientific research and the reports of countless men seeking help for porn related sexual dysfunction, Gary Wilson clarifies the impact of chronic overconsumption of internet porn on the brain. His message is powerful in the clarity with which he discusses the nature of the sexual problems resulting from addictive internet porn use; how and why th
