January 29th 2018: Finding Inspiration with Lori Robinson

With thirty to fifty percent of all species vanishing by mid-century, scientists call this the sixth extinction. Not knowing how to help stop this trend causes many people to feel overwhelmed and hopeless. With my guest Lori Robinson today, provide attainable antidotes for this despair. Author Lori Robinson, of 'Saving Wild' and 'Wild Lives', asked leading conservationists how we stay Inspired, and in the latter highlights conservation legends historical moments that often lay the foundation of today's knowledge. Nature is the core element that provides us the energy we need to tackle the chal
