**February 13th 2018: Why Dollar Hegemony May Be Nearing Its End!**

Michael Allen appears for the first time. Michael Oliver & William Engdahl return. China, Russia, India and other "rogue" nations are rising economics powers. David Stockman visits Feb. 20 to tell us why the U.S. economy is in deep trouble thanks to its massive indebtedness. Meantime massive global infrastructure is being built to connect populous Asian nations with countries rich in natural resources even as China and other powers decrease their purchases of U.S. debt and reduce trade with the U.S. At no time since 1971 when the petrodollar arrangement replaced a gold-backed dollar has the U
