**February 13th 2018: Tiny Living With Carpenter Owl**

This episode of REAL Real Estate Today focuses on the tiny house movement and the realities of living in 600 square feet or less. Our guest Daniel Weddle is founder and head owl of Carpenter Owl, a building studio based in Bloomington, IN that creates unique structures from natural materials. They design and build around the dreams of their clients, creating environments that are low in chemicals and allergens, using reclaimed and locally sourced materials wherever possible. Tiny homes are fully equipped to be year round, full time residences and can either be on wheels or permanent found
