February 20th 2018: Cannabis Kings**

The legalization of recreational cannabis may be one of the most significant business events in modern history. Not just for the business and market opportunities these products represent, but the recognition that cannabis has enormous medical potential and that prohibition was ill conceived. Not since it ended in the 30's has there been such an opportunity to create legitimate businesses for the \$8B Canadian market that until this year has been almost entirely criminal.
