**March 1st 2018: Encore: How to REALLY not die!  
AKA: How to live!**

People in the North America spend a lot of time and money on healthcare. Pharmaceuticals play a big part in that. The U.S. pharmaceutical market is the world's most important national market. Together with Canada and Mexico, it represents the largest continental pharma market worldwide. But, if we told you there was a better way to live a long, healthy life? What is we could use the power of nutrition to promote health and prevent disease? That's the core of Dr. Michael Greger's message. A favorite guest on Straight Talk, Dr. Greger will join Sandra for another insightful discussion about taki
