Born to be Breastfed
New shows weekly

March 5th 2018: Encore: The Breastfeeding Controversy, Why It Is and What To Do

It may seem surprising that breastfeeding is still a point of controversy. How can that be, when studies have shown over and over that human milk isn't just a food but a substance optimized to meet the complex needs of the human child? Join Marie as she talks with special guest Jennifer Grayson, journalist and author of "UNLATCHED: The Evolution of Breastfeeding and the Making of a Controversy" -HarperCollins, 2016-, about the tension between "best is breast" messaging and lack of breastfeeding support. Learn about policies and practices that would make a big different, not just for breastfeed
