April 16th 2018: What to Know When a Recruiter Calls

Have you ever had a call from a Recruiter--Travel or otherwise? It can be really exciting, scary, and intimidating. What do you need to know? How to present yourself in the best manner? How (and when) to ask about benefits? What are the up AND down sides of a new position? How to negotiate? We know that women are still being paid less in the workplace than men for the same work, because women don't negotiate. Is that still true in healthcare? I am welcoming 3 impressive guests from Monster.com to answer these and other questions. Call in with yours on Monday at 10 AM PDT!
