April 19th 2018: Encore: Not Broken: Addressing Miscarriage and Recurrent Pregnancy Loss

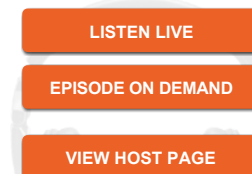

Miscarriages are more common than most people realize. They can occur in as many as one in four women in their lifetime. Miscarriages are the hidden losses that couples grieve together and come to fear together. In this show, Dr. Lora Shahine, Board Certified Physician in Reproductive Endocrinology and Infertility as well as Obstetrics and Gynecology, draws upon her years of experience and new book, *Not Broken: An Approachable Guide to Miscarriage and Recurrent Pregnancy Loss*, to empower those who have suffered a miscarriage with the latest information and guidance. From clarifying the causes o
