April 19th 2018: Digital Footprints: Mining the Data In Your Operations - Part 3

The buzz: "Process mining, if used right, can identify alternative courses, patterns and common mistakes." (Maria Paz, quoted at bpm.com) Are you losing a week between the time you ship an order and the time you invoice, and hours daily on unnecessary process steps? Are your vendors slipping their commitments? How to fix all of this: Process Mining.
