May 31st 2018: The Role of The Intelligence Analyst in Crime Solving

This show will address the powerful role Crime Analysts will play in the next generation of crime solving and help the public understand the challenges in building a strong and successful criminal case. Crime Analysts will become the most sought after talent for law enforcement in the next decade. A Crime Analyst builds the foundation for potential cases by looking at a wide range of data, including public records, financial, business and legal documentation, as well as cellphone and social media activity. They watch for patterns and trends, are meticulous, insightful, possess critical thin
