#### Today, Tomorrow's Technologies Archives Available

**June 12th 2018: Photography - What I need to know but never asked**

Photograph is a subject I wanted to learn more about but did not have the chance to ask an expert. Today, T3 will interview Master Photographer Philip Kent. We will learn how to get started in a photography as a hobby or a profession? What new technology or innovations has Philip seen throughout his career? We will also explore Philip's recommendations on going to school, training, or just getting the camera or equipment to get started. Get your questions ready to ask my guest Master Photographer Philip Kent on photography. He has photographed over 1,000 weddings. He is the curre
