June 12th 2018: Gold's Monetary Rehabilitation

Alasdair Macleod and Peter Tallman return. A quiet revolution is taking place in a monetary vacuum developing on the back of the dollar's eroding hegemony. Maybe it's too early to call what's happening the demise of the dollar as the world's reserve currency, but there is certainly a move away from it in Asia. And every time the Americans deploy their control over global trade settlement as a weapon against the regimes they dislike, nations who are neutral observers take note and consider how to protect themselves, "just in case." Alasdair will provide some examples of how Asians in particular
