Thursday at 10 AM Pacific
July 5th 2018: Business Continuity and Supply Chain Management

A key component of any Business Continuity Management (BC) program is ensuring the mitigation of impacts created when an organization's supply chain is impacted. This week we'll talk to noted supply chain management expert and author of "A Supply Chain Management Guide to Business Continuity" Betty Kildow. Betty has been working in Business Continuity for over 20 years and we'll learn how to identify our key suppliers - both upstream and downstream - and what we need to consider with regards to our suppliers when disasters occur. We'll also learn how to develop our supply chain continuity s
