Innovating Leadership, Co-Creating Our Future
Tuesday at 11 AM Pacific
July 31st 2018: Conscious Capitalism: Business Accelerator

In a time where more people are questioning capitalism as a concept and our younger work force is demanding an opportunity to bring purpose and meaning into their work, we want to explore how this is happening successfully in profitable organizations. Mark talks about what he has done to bring successful capitalism and consciousness together to build a business that is both profitable and socially conscious. He shares his journey and company success along with details about what conscious capitalism looks like in his company, Improving. We discuss the following questions? 1. How does con
