July 9th 2018: Encore: National Strategies
Combatting Wildlife Trafficking

We are dealing with an unprecedented spike in illegal wildlife trade, threatening to overturn decades of conservation gains. Wildlife overexploitation and crime is big business these days beyond the slippery slope and repercussions of impending extinctions. With my guest today, Will Gartshore of WWF we'll gain in-depth understanding of the wide net involved in and stemming from illegal wildlife trafficking, and what the US government, our Congress, and the current Administration is doing about it. Will's expertise is U.S. government relations and is World Wildlife Fund's lead congressional lia
