**July 30th 2018: Casual, invisible, virtually
undetected threats to our health**

Why are we so sick as a society? I might be asking this of the United States, but my recent travels to Asia and other Western Hemisphere countries have shown me that other countries are under attack, too. But what is it that is causing all this illness? The human immune system has been robust and powerful enough to carry us through dozens of millennia of plague, war, ice age, tectonic shift, Earth changes, mass extinctions. Why is it failing worldwide on such a grand scale, just now? It is about the unfortunate dark side of untrammelled capitalism. In short, this philosophy supports the
