In the world of Fine Arts and Liberal Arts, you would never believe a collision of innovation and technology would occur. Mr. Marc Thorpe is at this intersection, he is the creator, founder, and promoter of Robot Wars. An international show featuring radio-controlled fighting robots. He is also the creative genius involved with the special effects seen in many major movies such as Star Wars, Return of the Jedi and The Empire Strikes Back, Raiders of the Lost Ark, and Batteries Not Include to name a few feature films he contributed. T3 has the privilege to discuss the evolution of the fighting
