August 7th 2018: Valuing Gold In A World Awash With Dollars

Alasdair Macleod, Ivan Bebek and Michael Oliver are this week's guests. History tells us that an ounce of gold has retained 100% of its purchasing power since the Roman Republic. But what price of gold in US dollars should we expect when the Fed responds to the next financial crisis by creating exponentially more dollars out of thin air than the trillions of fraudulent money it created in response to the past financial crisis? Alasdair Macleod will opine on that topic as well as why another financial crisis is inevitable. And he will provide some ideas about how you might protect yourself and
