

Innovating Leadership, Co-Creating Our Future
Tuesday at 11 AM Pacific
September 4th 2018: Leadership Happy Hour: Aspirations - Fuel for Results

This is the kick-off of our leadership happy hour series. During this conversation, Greg, Terri and Maureen discuss the topic of aspirations over the courses of their leadership careers. Aspiration has the power to expand our limits and potential by motivating us to test our capabilities and competencies further and in new ways. It has a completely different effect on us than its evil twin – desperation. Not that aspiration is inherently good or desperation is inherently bad, but when people believe, the paths they follow look very different than when they do not. The conversation

Featured Guests

Greg Moran
Greg Moran is a C-level digital, strategy and change leadership executive with extensive global operations experience. He led corporate strategy for Ford and designed the plan that Alan Mullaly used to turn around the company. Greg held Clevel IT positions in app dev, infrastructure, and core banking applications at Ford, Nationwide Insurance, and Bank OneJPMC, respectively. He began his career in consulting with Arthur Andersen Accenture, working across industries with 100 companies over the course of a decade. He is passionate about leadership and culture, and displays that passion as COO at software company Aware and shares it by teaching part time at Ohio University.
