September 6th 2018: Finding the Best College Value; Freshmen Challenges; Aid Refunds

Ever wonder how to determine which colleges will be the best investment? Edmit is a college comparison-shopping resource designed to help families better understand the value of their college investment, with proprietary software that generates a personalized financial-fit score based on a college's affordability, value, and post-graduation earnings. Learn more about our collaboration with Edmit on the show. We're also talking to a communications expert about ways to prepare for the challenges of freshman year. And finally, we're sharing information on financial aid refunds, including what the
