What if you died and then came back? Would you have answers to the greatest of mysteries? Would you discover what it is to die and what happens to you after you die? How would that experience change the way you live your life? What more would you learn if you died multiple times and came back each time to this life in the world? Interested in finding out more from someone who's "been there, done that" not just once, but on five different occasions? Both Michael and Raphaelle, hosts of this show, have experienced what is commonly known as a Near-Death Experience, an NDE. If that's not enough, M
