Exploring Beyond the Edge Archives Available November 5th 2018: The Heart of Leadership

Leadership begins with leading yourself out of limiting patterns and into wholeness. New scientific research proves what ancient people have always known, that the human heart is a source of remarkable intelligence. What people feel in their hearts has tremendous influence over their motivation and performance. In this episode, Mark Crowley will share his heart in the development of a model of leadership that is essential for the times we are in. This is a program not to miss.
