

### Data Security and Privacy with the Privacy Professor

New shows the first Saturday of each month at 8 AM Pacific

**November 6th 2018: New Toolkit to Mitigate Teacher and Student Privacy Risks**

Education environments have inherent privacy risks. Schools are in open environments, with students, teachers, parents, guests, sales vendors, & folks from other schools, going through the facilities every day. More new tech is being used by teachers & students, bringing with them data security & privacy risks, creating a perfect storm for privacy breaches to occur. • How are teacher & student personal data collected & used? • Who has access to this personal data & how are they using it? • What legal protections exist & how have they been weakened? • How much privacy training do teach
