EMPOWERMENT

Exploring Beyond the Edge Archives Available November 12th 2018: Frontier Science

Everyday, each of us experiences at least one superpower unrecognized by the rational mind. Scientist Dean Radin explores these genuine but hidden powers that he links to consciousness. Exploring areas other scientists shun, his experiments into intuition, telepathy, clairvoyance, precognition, and psychokinesis reveal inner abilities he says are not only possible, but inevitable. In this fascinating show, he will share his research and open your mind and heart to greater possibilities.
