Barber Talk**

It's men's month or as we call it Movember... our focus is all about men, health, beauty rituals, relationship and sports....wait I am kidding no sports! In our first week, we have my guest from across the pond, Tom Chapman, an award-winning UK barber and Founder of Lions Barber Collective, not just your local group of barbers but barbers that are tackling the very taboo and silent topic of suicide prevention and mental health awareness. Our Movember guest is raising the bar for men to not just get a BEaUtiful clean cut and shave but to also have a BEaUtiful Life!
