Dr. Carole's Couch
Tuesday at 1 PM Pacific
November 20th 2018: Rag Tag Migrants Are Dangerous For Your Health

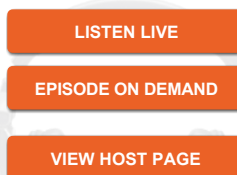

You've undoubtedly heard lots of political controversy about whether to allow migrants to enter the United States, and whether to let them stay here. But, you probably haven't heard about the medical risks they pose - some of which are life-threatening to the people who are around them. Today's guest, Dr. Jane Orient, the Executive Director of the Association of American Physicians and Surgeons, and author of several books, including *Your Doctor is Not In*, explains a whole smorgasbord of diseases that migrants are bringing into America, making us sick and sometimes killing us. This must be sto
