December 10th 2018: The Boy Crisis with Warren Farrell

What is happening to our boys? Boys are 50% more likely to fail basic proficiency in reading, math and science. Boys are more likely to develop ADHD, and their suicide rates are 6x higher than girls. As rolls are changing, boys are losing their sense of purpose and place in life. Warren Farrell is discussing his book "The Boy Crisis," trying to bring solutions to these systemic problems.
