**December 26th 2018: Encore: Ep. 38: How a Unified Governance Model Facilitates Innovation**

Director of KPMG's Cyber Security Advisory Services, Richard Kessler, breaks down how a Unified Governance Model can help executives implement effective Cyber Security Strategy in any size of organization. Kessler explains why so many business executives view their engagement with Cyber Security professionals as a challenge instead of an enabler to their business, and lays out a strategy for cyber security executives to overcome those perceptions to engage their peers in Risk, Big Data, Digital Transformation, and other areas to become a trusted broker and partner with the global heads o
