**January 11th 2019: Encore: Transformational
Leaders have a Story to Tell**

The power of story gives meaning. We are social beings who use story to contextualize the world around us. never has the power of oral and verbal messaging become paramount for leaders to authentically communicate a compelling mission and vision for all to see and feel. This show hones in the relevance of storytelling in today's environment. And, to convey that story telling is a skill that all leaders can certainly improve through tried and tested techniques. Transform your portfolio, transform your organization, transform your presence through the power of story!
