January 14th 2019: The Setpoint Diet with Jonathan Bailor

We have been trained that calories need to be counted, and food is "bad." As we have increase in diabetes, obesity and other diet related illnesses, we are confused with what to eat, and when to eat, and what is right for us. In his book "The Setpoint Diet Plan," Jonathan Bailor lays out an easy to follow plan to help reset your body to where in wants to be.
