January 17th 2019: Animated Pornography: How It Impacts Teens in Video Gaming

Recently, Pornhub released their 2018 data, and the findings are very concerning. Many of the popular searches in Pornhub were video game characters created in a pornographic setting. For example, of the 33 BILLION porn video downloads, Fortnite and Bowsette (a Nintendo character) led the searches. Equally disturbing is the new trend of creating animated pornography parodies of these video games, which are being downloaded by the tens of millions. This week we will discuss the implications of this report for our teens who play video games which contain explicit animated pornography. We will
