May 23rd 2019: BCM Challenges for Small Organizations

Business Continuity Management (BCM) can be a major challenge for small organizations, sometimes even more so than for larger organizations. We speak with long-time BCM expert Alex Jankovic, who helps us identify what some of these key challenges are and why they are concerns for small organizations; from the program initiation phase to implementation to the ongoing maintenance phase. Alex also talks to us about some of the solutions available to small organizations that can be leveraged to help address the BCM challenges.
