Friday at 9 AM Pacific
March 1st 2019: Resilience in the face of Climate Change

Our guest today is Richard Heinberg, Senior Fellow-in-Residence at the Post Carbon Institute. We will discuss what our future climate might mean for us and how we can prepare for the coming changes. Richard is an American journalist and educator who has written extensively on energy, economic, and ecological issues, including oil depletion. He is the author of 13 books, and presently serves as the senior fellow at the Post Carbon Institute. Richard will draw on the extensive knowledge of the Institute and from his outstanding online video series, Think Resilience.
