March 29th 2019: CleanChoice Energy to Supply Solar Lanterns to Families in Need

CleanChoice Energy, a renewable energy company that empowers people and businesses to cut emissions and live cleaner lives, has launched a new product to provide solar lanterns to families in need around the world. For every customer that makes the switch to clean energy through the Clean Lights Plan, CleanChoice Energy will send a solar lantern to families in need. An estimated 1.1 billion people – 14% of the global population – do not have access to electricity according to the International Energy Agency. Tune in as we talk with Kate Colarulli, VP, Retention Marketing and PR for CleanC
