**Once a Nurse, Always a Nurse**  
**Monday at 10 AM Pacific**  
**April 1st 2019: Nurses Leading Innovation**

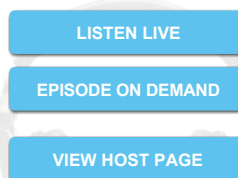

As long as there have been nurses, there have been nurses who innovate! Often that entails "work-arounds" of systems and policies that hamstring the nurse and make giving good care to the patient more difficult. My guests this week are ALL about Innovation and how to get the nurse's voice represented in the many technical and communication "great new ideas" to ensure they work with and for the nurse in intuitive ways. Dr. Bonnie Clipper is the one-woman Innovation Department at the ANA and Rebecca Love has pioneer status in leading the way to innovation with nurses & entrepreneurial interests
