April 1st 2019: Detox Toxic Metals with Wendy Myers

"Fatigue makes fools of all of us. It robs you of your skills and your judgment and it blinds you to creative solutions." --Harvey McKay. Our world is becoming more and more toxic, and people are getting more and more sick. Environmental pollutants in the air, water and our food are causing heavy metal toxicity that is eventually leading to chronic diseases. Wendy Myers is sharing her protocol for heavy metal detox in this interview discussing her book "Limitless Energy: How to Detox Toxic Metals to End Exhaustion and Chronic Fatigue."
