## May 17th 2019: From Bitter Conflict to Almost Picture Perfect!

Have you ever asked yourself the following questions? "How can I teach my children to use the Internet with integrity?" "How do I guard my own heart and remain pure online?" "How do I serve as an example to my family, coworkers, friends and church?" Realizing the threat that online technologies pose without proper monitoring, the founder of Covenant Eyes invented Internet Accountability to equip people to protect themselves and their families from online dangers. We'll be talking about this safeguard and how it applies to you, our listeners.
