On this week's Tech Cat Show we highlight a panel discussion that took place in early May at the AISHowBiz Expo, the world's first summit dedicated to the topic of artificial intelligence in the entertainment area in the heart of Silicon Valley. "May the Force be with YOU Future Frontiers Panel" is the finale of the summit & features world-renown, visionary futurists making their predictions about the intergalactic future of AI/Entertainment & Our Role in Saving the Empire by Using AI as a Force for Good! Daniel Smalley, BYU Engineering Professor and Holography Expert; "Princess Leia Proje
