May 29th 2019: Matters of the Mind - Mental Health Awareness

It is very likely that you or someone you know is struggling with mental health issues. Some people may ask, what is mental health really all about, and why is it something we need to take serious? Mental health issues have a very profound way of affecting your day to day life. There are a lot of factors that go into categorizing, diagnosing and treating these issues. During this show, we will be speaking with mental health professional Victoria Lewis, a Licensed Clinical Social Worker. Her 12 years of experience in the Mental and Behavioral Health Field, more than qualifies her as she wi
