Do you ever wonder what the millennials are learning about in Sex Ed today? Within our hypersexualized digital world, they are exposed to so much more than what their teachers have to offer. How do we help them navigate through the murky waters of online adult content to better understand their own bodies, sexual orientation and the emotional requirement of sex? Join us with child psychologist, Dr Jillian Roberts, as we discuss the challenges of talking to our kids about sex in the sexualized digital age where pornography is fully accessible, and the need for open and honest discussions h

##### Jillian Roberts

Dr. Jillian Roberts is a child psychologist, author, professor and mother. She earned her PhD at age 26, became an associate professor at the University of Victoria at 32, and shortly after became the Associate Dean of the Faculty of Education. During this time, Dr. Roberts also built a successful child psychology practice.
