**July 23rd 2019: Are You Crazy Enough to Chase Your Dreams? 5 Keys To Make the**

Damion Harris is the founder of CorporateToCrazy.com which supports his mission to inspire, motivate, and train frustrated and unfilled corporate employees make the transition from corporate America to entrepreneurship. He believes that everyone is gifted in their own way, and possess knowledge, skills, and experiences that when accurately identified and packaged, can serve others and provide a life of joy, meaning, and purpose. The road to success was not easy. His first trip down the path of entrepreneurship ended a little more than 2 years after launching a toy retailing company that was un

#### Damion Harris

Damion graduated from Florida State University with a degree in accounting and finance. He started his professional career as an auditor for one of the Big 4 accounting firms. Like many people who find themselves in a career that is unfulfilling, he had a choice to make. He could stay on a career path that provided no excitement and no sense of purpose; or follow his heart and become an entrepreneur. He eventually found success in the RE industry and also founded CorporateToCrazy.com to pursue his mission to inspire others to transition from Corporate America to Entrepreneurship.
